St. Ann's Bulletin Sponsorship Program

A huge part of our work at St. Ann's is about helping awesome people find each other. When friendships are made, lots of things happen! The faith community grows. Also, to the end of this letter, doors open for professional growth and business opportunities. Our first initiative was to create a parish small business directory, which has been successful in allowing our parishioners to see the professional skills we have in the pews.

The Weekly Bulletin is the communications hub of the parish. All our events, notices, and charitable works reach parishioners primarily through this means. Our Bulletin Sponsorship Program keeps us moving forward and **we would like to offer you an opportunity to connect with our people.**

In addition to providing the English Mass most Catholics are accustomed too, our parish is a **destination parish** as the only place in the larger Hamilton area that offers the Mass of the Ancient Form of the Roman Rite. As the numbers show, we have significant reach for our parish bulletin. We have people who are here every week, and a significant number that come when they can. But something they all have in common is that they want to keep up with what is happening in the parish and what happens through the weekly parish bulletin.

The following numbers will give you an idea of **the reach our bulletin** gets and especially online presence (which is how we communicate with many parishioners).
